

Internal Medicine/Pulmonology opportunity in Upstate New York

Here is an opportunity to practice in a community where a number of young physicians are gathering to escape the saturated areas that have limited their practice and quality of life.

St. Lawrence River Eisenhower Locks Massena, New York

Andrews Street Park along the Grasse River

PRACTICE:

- Hospital supported opportunity to develop your own practice/turn-key opportunity available. Or to start as an employed physician.
- Assistance to office space, office set-up, equipment and staff
- Competitive income guarantee to start and extraordinary opportunity for more
- Comprehensive benefit package to include malpractice, relocation expenses and much more

HOSPITAL:

- Busy community facility currently running at 80 to 95% of occupancy

- Continual commitment to upgrade and expand services to the needs of community and today's medical technology. Recently completed a \$14 million construction/renovation project to include new ICU/CCU/Telemetry, Medical Laboratory, Medical Imaging Center with separate Women's Imaging Center, Physical/Rehab and Respiratory Therapy Departments; and a beautiful new front entrance with private registration areas. Opened a new Veterans Outpatient Clinic and new Endoscopy Center in 2006. Currently adding a new wing to house an on-site 3.0 Tesla MRI, along with four new LDRPs.
- MMH spent in excess of \$1.3 million on capital equipment in 2007 and over \$30 million on major construction and renovations over the last 12 years.
- Excellent payer mix with low managed care penetration

COMMUNITY:

- Beautiful community located along the St. Lawrence River
- Gorgeous views of both the river valleys and the Adirondack foothills, but only one hour drive from Lake Placid, Montreal or Ottawa
- Great abundance of other outdoor recreational activities year round
- Community is extremely family friendly and is known for having some of the best public schools in the state of New York, offering International Baccalaureate Diploma Program in the high school
